Background

Åland Sport Week (ÅSW) is a yearly multi-sport event organised by Åland Sports Federation in cooperation with individual sport clubs on Åland.

The overall goal of ÅSW is to bring local and visiting international athletes together in new fun ways.

More information about ÅSW can be found on ÅI's web page:

<https://www.alandsidrott.ax/alands-idrott-arbetar/aland-sport-week-2026>

Our participation in ÅSW 2026

We are planning to host an IPSC Grand Tournament (GT) match with two component matches: An *IPSC Handgun* match and an *IPSC Rifle* match.

The goal of our participation in ÅSW is to:

- Increase our visibility locally and get more people interested in the sport.
- Improve the perception of IPSC and dynamic sports shooting, both for the public and internally in our club.
- Host a fun match for our members and IPSC athletes from neighbouring areas.

The match will be organized in *Shoot'n Score It*: <https://shootnscoreit.com/event/43/1147/>

We will aim to keep the component matches as balanced in terms of weight in the GT as possible.

The maximum number of competitors is preliminarily set to 50 per component match. Local competitors are not likely to exceed 30.

Range location, travel and accomodation

Ålands sportskytteförening's shooting range *Bredmo*, is located in Lemland. It is not reachable by public transport.

IPSC sanctioning level

We will aim to keep the GT and its component matches sanctioned at IPSC level 1.

Division, category and team recognition

Component match divisions and categories will be recognized in accordance with IPSC rulebook appendix A2.

Teams will not be recognized.

GT categories will be recognized only if the same category is recognized in **both** component matches.

The following Grand Tournament, Handgun and Rifle divisions will be recognized:

Grand Tournament division	Handgun divisions	Rifle divisions
Open	Open Standard Classic Production Production Optics Revolver Optics	Semi Auto Open Semi Auto Standard
Standard	Standard Classic Production Revolver	Semi Auto Standard

Prize

Winners in the component matches will be recognized according to IPSC rules but no prizes will be awarded.

Participants with the top three results per recognized GT division and category will be awarded ÅSW medals. Any other possible prizes will be determined at a later date.

Match cost

Participation in the GT will be free for members of the ÅSSF dynamic section

For visiting athletes the cost will be 25 EUR, paid on-site.
